2. Risk Acknowledgement

2.1. The Client acknowledges, recognises and understands that trading and investments in leveraged as well as non-leveraged Contracts is:

- i. highly speculative;
- ii. may involve an extreme degree of risk; and
- iii. is appropriate only for persons who, if they trade on margin, can assume risk of loss in excess of their margin deposit.

2.2. The Client acknowledges, recognizes and understands that:

- i. because of the low margin normally required in Margin Trades, price changes in the underlying asset may result in significant losses, which losses may substantially exceed the Client's investment and margin deposit;
- ii. when the Client directs PU Prime to enter any transaction, any profit or loss arising as a result of a fluctuation in the value of the asset or the underlying asset will be entirely for the Client's account and risk;
- iii. the Client warrants that the Client is willing and able, financially and otherwise, to assume the risk of trading in speculative investments;

- iv. the Client agrees not to hold PU Prime responsible for losses incurred as a consequence of PU Prime carrying the Client's account and following its recommendations or suggestions or those of its employees, associates or representatives, unless PU Prime has exercised gross negligence in connection herewith;
- v. the Client knows unless it is otherwise specifically agreed, PU Prime shall not conduct any continuous monitoring of the transactions already entered by the Client neither individually nor manually. Hence, PU Prime cannot be held responsible for the transactions developing differently from what the Client might have pre-supposed and/or to the disadvantage of the Client;
- vi. the Client accepts that guarantees of profit or freedom from loss are impossible in investment trading; and
- vii. the Client accepts that the Client has received no such guarantees or similar representations from PU Prime, from an Introducing Broker, or representatives hereof or any other entity with whom the Client is conducting a PU Prime account.

3. Client Classification

- 3.1. PU Prime attaches different levels of regulatory protection to each category and hence to Clients within each category. Retail Clients are afforded the most regulatory protection; Professional Clients are more experienced, knowledgeable and sophisticated and able to assess their own risk and are thus afforded fewer regulatory protections.
- 3.2. PU Prime offers its Clients the possibility to request reclassification online and thus to increase or decrease the level of regulatory protections afforded. Where a Client requests a different categorisation (either on an overall level or on a product level), the Client needs to meet certain specified quantitative and qualitative criteria.
- 3.3. On the basis of the Client's request, PU Prime undertakes an adequate assessment of the expertise, experience, and knowledge of the Client to give reasonable assurance, in the light of the nature of transactions or services envisaged that the Client is capable of making his/her own

investment decisions and understanding the risks involved. However, if the above-mentioned criteria are not met, PU Prime reserves the right to choose whether to provide services under the requested classification.

4. Services

Limit orders to buy and stop orders to sell must be placed below the current market price, and limit orders to sell and stop orders to buy must be placed above the current market price. If the bid price for sell orders or ask price

for buy orders is reached, the order will be filled as soon as possible at the price obtainable in the market. Limit and stop orders are executed consistent with "PU Prime's best execution policy" and are not guaranteed executable at the specified price or amount, unless explicitly stated by PU Prime for the specific order.

- 4.4. In relation to any transaction or Contract, PU Prime will affect such transaction or Contract as Principal unless it is specifically agreed that PU Prime shall act as Agent for the Client.
- 4.5. The Client shall, unless otherwise agreed in writing, relative to PU Prime enter Contracts as Principal.
- 4.6. If the Client acts as Agent, regardless of whether the Client identifies the Principal to PU Prime, PU Prime shall not be obliged to accept the said Principal as a client, and consequently PU Prime shall be entitled to consider the Client as Principal in relation to the Contract.
- 4.7. When the Client enters a Contract Option with PU Prime, PU Prime will act as counterparty to the Client. PU Prime will enter a contract with a Counterparty which is identical in all respects to the contract between PU Prime and the Client. The Counterparty will in turn enter a contract on the relevant exchange (unless Market Rules requires the Counterparty to act as PU Prime's agent in which case PU Prime will enter a contract on the exchange). The Client is contracting with PU Prime and has no right of recourse against PU Prime's Counterparties or any right over contracts between PU Prime and its Counterparties.
- 4.8. In the event PU Prime provides advice, information or recommendations to the Client PU Prime shall not be responsible for the profitability of such advice, information or recommendation as further stipulated in Clause 21, and the Client acknowledges, recognizes and understands that:
 - i. All transactions in exchange-traded investments and many Contracts will be affected subject to, and in accordance with, Market Rules;
 - ii. Market Rules usually contain far-reaching powers in an emergency or otherwise undesirable situation;
 - iii. If any exchange or clearing house takes any action which affects a transaction or Contract, directly or indirectly, including any Contract

Option, then PU Prime is entitled to take any action relevant to the situation and reasonable to the parties in the interests of the Client and/or PU Prime;

- iv. PU Prime shall not be liable for any loss as further stipulated in Clause 22.3 and suffered by the Client as a result of the acts or omissions of any exchange or clearing house or any action reasonably taken by PU Prime as a result of such acts or omissions unless PU Prime has exercised gross negligence in connection hereby;
- v. Where any transaction is affected by PU Prime as Agent for the Client, delivery or payment (as appropriate) by the other party to the transaction shall be at the Client's entire risk;
- vi. PU Prime's obligation to deliver investments to the Client or to account to the Client or any other person on the Client's behalf for the proceeds of sale of investments shall be conditional upon receipt by PU Prime of deliverable documents or sale proceeds (as appropriate) from the other party or parties to the transaction;
- vii. PU Prime may in whole or in part, on a permanent or temporary basis withdraw any account facility provided by PU Prime to the Client. Situations where PU Prime may take such action include situations where:
 - PU Prime considers that the Client may be in possession of Inside Information;
 - PU Prime considers that there are abnormal trading conditions; or
 - PU Prime is unable to calculate prices in the relevant Contract due to the unavailability of the relevant market information.
- viii. PU Prime informs the Client of the withdrawal and the reasons for it, where possible, before the withdrawal and if this is not possible immediately thereafter, unless giving such information would compromise objectively justified security reasons;
- ix. PU Prime reserves a right to raise commission on withdrawal up to 5.0% in case there is not enough trading activity between last deposit and withdraw request.

4.9. Normally PU Prime shall not provide any advice to the Client on any tax

issues related to any Services. The Client is advised to obtain individual independent counsel from its financial advisor, auditor or legal counsel with respect to tax implications of the respective Services.

- 4.10. Notwithstanding any other provision of this Agreement, in providing its Services, PU Prime shall be entitled to take any action considered necessary and reasonable to ensure compliance with the Market Rules and all other applicable laws and regulatory decisions.

5. Dealings Between PU Prime and The Client

- 5.1. The Client may provide PU Prime with oral or written instructions (which shall include instructions provided via the internet or by e-mail as described below). PU Prime shall acknowledge the reception of the instructions orally or in writing, as appropriate.
- 5.2. The Client shall inform PU Prime in writing of the persons the Client has granted a Power of Attorney to instruct PU Prime on behalf of the Client. For practical reasons, PU Prime can only undertake to register one Power of Attorney for the Client. If the Client at any time wishes to revoke such a Power of Attorney, to change the extent of the Power of Attorney, or grant Power of Attorney to a different person this shall also be informed to PU Prime in writing. PU Prime is in accordance with general rules regarding Power of Attorneys entitled to receive instructions from any person authorised by the Client as well as persons who appear authorised.
- 5.3. In addition to the terms listed on PU Prime's website and the terms stated in Section 6 regarding the Trading Platform, the following terms apply to Contracts executed on the internet:
 - i. PU Prime shall not undertake the risk towards Clients for any loss, expense, cost or liability suffered or incurred by the Client due to failure of the system, transmission failure or delays or similar technical errors unless PU Prime has exercised gross negligence in connection herewith, notwithstanding Clause 6.9;
 - ii. PU Prime may offer real-time tradable prices to the Client. Due to delayed transmission between the Client and PU Prime the price

offered by PU Prime may have changed before an order from the Client is received by PU Prime. If automatic order execution is offered to the Client, PU Prime shall be entitled to change the price on which the Client's order is executed to the market value at the time at which the order from the Client was received;

- iii. Prices offered by PU Prime regarding the sale, purchase or exercise of Contract Options reflect the price of the relevant exchange traded product. Due to delays from the Client's execution of an order or instruction regarding a Contract Option to the execution of the relevant exchange traded product on the exchange, the price as listed on the Trading Platform is subject to change, in order for the Contract Option to reflect the price of the relevant exchange traded product at the time of its execution or exercise (as applicable);
- iv. The Trading Platform may be available in several versions, which may be differentiated in various aspects including, but not limited to the level of security applied, products and services available etc. PU Prime shall not be liable to the Client for any loss, expense, cost or liability suffered or incurred by the Client due to the Client using a version different from PU Prime's standard version with all available updates installed;
- v. The Client shall be responsible for all orders, and for the accuracy of all information, sent via the internet using the Client's name, password or any other personal identification means implemented to identify the Client;
- vi. The Client is obliged to keep passwords secret and ensure that third parties do not obtain access to the Client's trading facilities;
- vii. If the Trading Platform is used for Commercial use the Client is liable to PU Prime for Contracts executed by use of the Client's password even if such use might be wrongful;
- viii. Regardless of the fact that the Trading Platform might confirm that a Contract is executed immediately when the Client transmits instructions via the Trading Platform, it is the Settlement/Trade Confirmation forwarded by PU Prime or made available to the Client on the Trading Platform which solely constitutes PU Prime's confirmation of execution.

- 5.4. Any instruction sent via the Trading Platform or by e-mail by the Client shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding Contract between PU Prime and the Client when such instruction has been recorded as executed by PU Prime and confirmed by PU Prime to the Client through the Settlement/Trade Confirmation and/or Account Statement, and the mere transmission of an instruction by the Client shall not constitute a binding Contract between PU Prime and the Client.
- 5.5. The Client shall promptly give any instructions to PU Prime, which PU Prime may require. If the Client does not give such instructions promptly, PU Prime may, at its reasonable discretion, take such steps at the Client's cost, as PU Prime considers necessary or desirable for its own protection or the protection of the Client. This provision is similarly applicable in situations when PU Prime is unable to obtain contact with the Client.
- 5.6. If the Client does not provide PU Prime with notice of its intention to exercise an option, a Contract Option or another Contract which requires an instruction from the Client at the time stipulated by PU Prime, PU Prime may treat the option or Contract as abandoned by the Client. If the Client wishes to exercise an option, Contract Option or another Contract, the Client must provide PU Prime with notice thereof in reasonable time (and within applicable cut-off times) for PU Prime to exercise the corresponding right under any contract equivalent to the Contract Option that PU Prime has entered into with any Counterparty. Contract Options that close one tick or more in the money on the last trading day will automatically be exercised, regardless of whether the Client has purchased or sold the Contract Option. The Client cannot instruct PU Prime not to exercise Contract Options that are in the money at expiry and cannot at any time instruct PU Prime to exercise Contract Options that are out of the money.
- 5.7. PU Prime applies a random method of assignment among its Clients' Contract Options when PU Prime is notified by its Counterparties that one or more short option positions have been assigned. PU Prime's allocation method randomly selects short Contract Options among all PU Prime's Clients' positions, including Contract Options opened immediately prior to the assignment. All short Contract Options are liable for assignment at any

time. If a short Contract Option is assigned, the Client is obliged, within the applicable time of delivery, to deliver the relevant amount of cash or assets in the case of a call Contract Option and the relevant amount of cash in the case of a put Contract Option, to effect settlement.

- 5.8. PU Prime may (but shall not in any circumstances be obliged to) require confirmation in such form as PU Prime may reasonably request if an instruction is to close an Account or remit money due to the Client or if it appears to PU Prime that such confirmation is necessary or desirable.
- 5.9. Pursuant to general rules regarding power of attorney the Client is accountable to PU Prime for losses which PU Prime may suffer as a result of instructions from a person who has explicitly or tacit power of attorney to give PU Prime instructions on behalf of the Client.
- 5.10. PU Prime reserves the right in its absolute discretion to cancel, unwind, close out, repair, reinstate or take other action it may deem necessary with respect to open or closed trades of Client or instructions from the Client where the trades executed or instructions submitted would be in violation of, but not limited to, the Agreement, securities markets legislation, usual market practices, legislation on money laundering or insider trading or if the Client is using or has otherwise engaged proprietary or third party malicious and manipulative software or plugins or general trading style that in PU Prime's, its eligible counterparties' or liquidity providers' view, has the actual, suspected or potential nature of breaching the Agreement or relevant securities markets legislation or PU Prime believes that to execute its absolute discretion with the regards to the above matters is necessary to protect its own interests, or the interests of its Clients.
- 5.11. In general, PU Prime shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act consistent with the broker's Best Execution Policy. However if, after instructions are received, PU Prime believes that it is not reasonably practicable to act upon such instructions within a reasonable time, PU Prime may defer acting upon those instructions until it is, in PU Prime's reasonable opinion, practicable to do so or as soon as possible notify the Client that PU Prime is refusing to act upon such instructions.
- 5.12. It is possible that errors may occur in the prices of transactions quoted by

PU Prime. In such circumstances, without prejudice to any rights it may have, PU Prime shall not be bound by any Contract which purports to have been made (whether confirmed by PU Prime) at a price which:

- i. PU Prime can substantiate to the Client was manifestly incorrect at the time of the transaction; or
- ii. was, or ought to have reasonably been known by the Client to be incorrect at the time of the transaction. In which case PU Prime reserves the right to either 1) cancel the trade all together or 2) correct the erroneous price at which the trade was done to either the price at which PU Prime hedged the trade or alternatively to the historic correct market price.

5.13. Trading strategies aimed at exploiting errors in prices and/or concluding trades at off-market prices (commonly known as "sniping") are not accepted by PU Prime. Provided that PU Prime can document that there on the time of the conclusion of the trade were errors in prices, commissions, or in the Trading Platform, and provided PU Prime can render probable that the Client, based on its trading strategy or other provable behavior, deliberate and/or systematically has exploited or attempted to exploit such an error, PU Prime is entitled to take one or more of the following countermeasures:

- i. adjust the price spreads available to the Client;
- ii. restrict the Client's access to streaming, instantly tradable quotes, including providing manual quotation only;
- iii. retrieve from the Client's account any historic trading profits that PU Prime can document have been gained through such abuse of liquidity at any time during the client relationship; and/or
- iv. terminate the client relationship immediately by giving written notice.

5.14. If the Client is more than one person (for example, joint account holders):

- i. the liabilities of each such person shall be direct, joint and several;

- ii. PU Prime may act upon instructions received from anyone person who is, or appears to PU Prime to be, such a person, whether such person is an Authorised Person;
 - iii. any notice or other communication provided by PU Prime to one such person shall be deemed to have been provided to all such persons; and
 - iv. the rights of PU Prime under Clause 20 shall apply if an event described in Clause 20 shall be deemed to have occurred in respect of any one of such persons.
- 5.15. The Client agrees that PU Prime may record all telephone conversations, internet conversations (chat), and meetings between the Client and PU Prime and use such recordings, or transcripts from such recordings, as evidence towards any party (including, but not limited to, any regulatory authority and/or court of law) to whom PU Prime at its reasonable discretion sees it to be desirable or necessary to disclose such information in any dispute or anticipated dispute between PU Prime and the Client. However, technical reasons may prevent PU Prime from recording a conversation, and recordings or transcripts made by PU Prime will be destroyed in accordance with PU Prime's normal practice. Consequently, the Client should not rely on such recordings to be available.
- 5.16. When the Client instructs PU Prime to enter a position opposite to one or more of the Client's open positions, PU Prime will close out the opposite position in accordance with the FIFO principles unless the position has related orders or otherwise agreed.
- 5.17. The Client acknowledges that PU Prime has the right to, but not the obligation to close directly opposite positions. This applies not only when the positions are held on the on the same account, but also when they are held on separate accounts.
- 5.18. If the Client operates several Accounts (or subaccounts) and opposite positions are opened on different Accounts (or sub-accounts), PU Prime shall not close out such positions. The Client is specifically made aware that unless closed manually, all such positions may be rolled over on a continuous basis and thereby consequently all incur a cost for such roll-over.

6. Special Note on The Use of The Trading Platform

- 6.1. The technical requirements to which the Client's IT equipment, operating system, Internet connection etc. shall conform are described on PU Prime's website.
- 6.2. The Client shall enter his user ID and password when logging on to the Trading Platform. The Client should memorize the password. The Client is obligated to notify PU Prime without undue delay on becoming aware of unauthorized use of the Trading Platform, or if the Client suspects that the password has been misappropriated by a third party, the Client shall contact PU Prime immediately to block his Trading Platform. The Client can then order a new password. The Client is for a period of 18 months after notification entitled to request PU Prime to provide the Client with the means to prove that he made such notification.
- 6.3. The Client can block his Trading Platform at any time by contacting PU Prime. Blocking the Trading Platform prevents other persons from accessing it. Open orders and positions placed on the platform before the blocking will not be affected by the blocking unless the Client specifically requests so, and the Client is responsible for deciding about his positions.
- 6.4. The right to use the Trading Platform is personal, and the Client shall not allow other persons to use his user ID and/or his password. If the Client wants to allow a third party to trade on the Client's account, the Client shall issue a separate power of attorney to the relevant third party. The power of attorney shall be written on one of PU Prime's power of attorney forms. The issue of the power of attorney shall be approved by PU Prime.
- 6.5. From the Trading Platform the Client can print reports on trading activities and his account balances.
- 6.6. Where the Client has placed an order which he subsequently regrets, the Client may request that the order be cancelled up until the time of execution. The Client is aware that PU Prime is under no obligation to cancel the order. A request for cancellation or an order can be made via the Trading Platform or by calling PU Prime Sales Trading. Requests concerning cancellation of orders generated when the margin is exceeded

can only be made to PU Prime sales trading. An order shall not be cancelled until the Client has received a written confirmation from PU Prime.

- 6.7. The Client shall not be liable for unlawful use of the Trading Platform occurring after the Client has informed PU Prime.
- 6.8. Where the Trading Platform is used for Private Use, PU Prime shall be liable for direct losses resulting from defectively executed orders, unless defectively executed order is due to conditions for which the Client is liable. PU Prime shall not be liable for any indirect losses.
- 6.9. PU Prime shall not be liable for losses in cases of abnormal and unforeseeable circumstances beyond the control of PU Prime pleading for the application of those circumstances, the consequences of which would have been unavoidable despite all efforts to the contrary.
- 6.10. If the Trading Platform is used for Commercial use PU Prime shall not be liable for any indirect losses and/or losses resulting from:
 - i. Operational failures preventing the use of the Trading Platform;
 - ii. Interruptions preventing the Client from accessing the Trading Platform;
 - iii. Use of the Internet as a means of communication and transport;
 - iv. Damage caused by matters relating to the Client's own computer systems.
- 6.11. PU Prime shall not be responsible for losses resulting from the Client's installation and use of the computer programs used on the Trading Platform, unless such liability follows from indispensable rules of law. Where the Trading Platform is used for Commercial Use, the Client shall be responsible for ensuring that the Trading Platform is adequately insured against direct and indirect losses which may result from the installation and use of the computer programs in the Client's computer system. Furthermore, the Client shall be obliged to make backup copies of data which, should such data be lost, might result in losses for the Client.
- 6.12. PU Prime reserves the right to archive or disable the Client Account that is inactive (no trading and/or deposit/withdrawal activity) for at least 90 calendar days and has a balance of equal or less than 10 us dollars or

equivalent in other currencies. The Client Account may be restored from archive only to generate a report/statement and not for trading or depositing. Restored Client Account is again put back to archive once the report/statement is generated. The Client may always open a new trading account and can transfer any archived balance to the new account. PU Prime is not obligated to inform the Client prior to or after archived/disabling.

7. Margins, Security, Payments and Delivery

7.1. The Client shall pay to PU Prime on demand:

- i. such sums of money by way of deposits, or as initial or variation margin as PU Prime may require. In the case of a Contract effected by PU Prime on an exchange, such margin shall be not less than the amount or percentage stipulated by the relevant exchange plus any additional margin that PU Prime at its reasonable discretion may require;
- ii. such sums of money as may from time to time be due to PU Prime under a Contract and such sums as may be required in or towards clearance of any debit balance on any Account;
- iii. such sums of money as PU Prime may from time to time require as security for the Client's obligations to PU Prime; and
- iv. any amount to maintain a positive cash balance on any and all Account(s).

7.2. When dealing with Contract Options PU Prime will enter into a contract with its Counterparties which is identical in all respects to the Contract Option between PU Prime and the Client and PU Prime may under such Counterparty contract be required to deliver additional margin from time to time. PU Prime may without notice change the margin requirement towards the Client to reflect changes in applicable margin requirements for PU Prime from time to time under any Counterparty contract.

7.3. If the Client makes any payment which is subject to any price fluctuations, withholding or deduction, the Client shall pay to PU Prime such additional

amount to ensure that the amount actually received by PU Prime will equal the full amount PU Prime would have received had no price fluctuations, withholding or deduction been made.

- 7.4. Payments into the Client's account are deposited by PU Prime on the condition of PU Prime receiving the amount in question. This shall apply irrespective of whether it has been explicitly stated in receipts or other notices of or requests for payment.
- 7.5. With the prior written agreement of PU Prime on each occasion, the Client may deposit Security with PU Prime or provide PU Prime with a guarantee or indemnity from a person and in a form acceptable to PU Prime instead of cash for the purpose of complying with its obligations. The Client is made specifically aware that PU Prime at its reasonable discretion may determine the value by which Security shall be registered and consequently contribute to PU Prime's demand towards the Client and PU Prime may continuously change such value of Security without prior notice to the Client.
- 7.6. The Client is made aware that securities held or deposited on the Client's account with PU Prime the Client cannot put up as collateral or guarantee for any of the Client's obligations towards a third party.

 - i. pass on any money or Security received from the Client in order to satisfy PU Prime's obligations to any third party;
 - ii. charge, pledge or grant any security arrangement over Security in order to satisfy PU Prime's obligations to any third party in which case the Security may or may not be registered in the Client's name;
 - iii. lend Security to any third party in which case the Security may or may not be registered in the Client's name; and
 - iv. return to the Client other Security than the original Security.

- 7.10. The Client shall be obliged to promptly deliver any money or property deliverable by it under a Contract in accordance with the terms of that Contract and with any instructions given by PU Prime for the purpose of enabling PU Prime to perform its obligations under any corresponding Contract entered into between PU Prime and a third party.
- 7.11. If the Client fails to provide any margin, deposit or other sum due under this Agreement in respect of any transaction PU Prime may close any open position without prior notice thereof to payment of any amounts due to PU Prime. This is further regulated in Clause 8.2 and Clause 19.
- 7.12. If the Client fails to make any payment when it falls due, the Client shall pay interest (from the due date and until payment takes place) on the outstanding amount at the rate stated in the Commissions, Charges & Margin Schedule, cf. Clause 12.3.
- 7.13. The Client is advised that PU Prime shall have the right, in addition to any other rights it may have under this Agreement, to limit the size of the Client's open positions (net or gross) and to refuse orders to establish new positions. PU Prime will inform the Client as soon as possible regarding such refused orders and the reason for the refusals. Situations where PU Prime may exercise such right include, but are not limited to, where:
- i. PU Prime has reason to believe that the Client may be in possession of Inside Information;

For Contract Options regarding physically settled options, the Contract Options will settle into the respective contract, stock or other security. Contract Options regarding options on futures will settle into a future acquired at the strike price. PU Prime will only allow the Client to trade Contract Options on Contracts with physical delivery if the Contract Option expires before the underlying Contract. PU Prime will require Clients to close any Contract with physical delivery of commodities before they can be exercised (i.e. PU Prime does not support physical delivery of commodities).

8. Margin Trades

- 8.1. On the date of the opening of a Margin Trade between PU Prime and the Client, PU Prime may require the Client to have margin on the Account at least equivalent to PU Prime's initial margin requirement.
- 8.2. PU Prime's margin requirement shall apply throughout the term of the Margin Trade. It is the Client's responsibility continuously to ensure that enough margin is available on the Account at any time. If practicably possible PU Prime shall notify the Client if the margin requirements are not met. If, at any time during the term of a Margin Trade, the margin available on the Account is not sufficient to cover PU Prime's margin requirement, the Client is obliged to reduce the amount of open Margin Trades or transfer adequate funds to PU Prime. Even if the Client takes steps to reduce the size of open Margin Trades or to transfer sufficient funds to PU Prime, PU Prime may close one, several or all of the Client's Margin Trades or part of a Margin Trade and/or liquidate or sell securities or other property at the Client's account at its sole discretion without assuming any responsibility towards the Client for such action.
- 8.3. If PU Prime due to insufficient margin, cf. Clause 8.2, may close one, several or all of the Client's Margin Trades, the Client shall expect, unless otherwise agreed and confirmed by PU Prime that all of the Client's open Margin Trades will be closed.

- 8.4. If the Client has opened more than one Account, PU Prime is entitled to transfer money or Security from one Account to another, even if such transfer will necessitate the closing of Margin Trades or other trades on the Account from which the transfer takes place
- 8.5. PU Prime's general margin requirements for different types of Margin Trades are displayed on PU Prime's web site. However, PU Prime reserves the right to determine specific margin requirements for individual Margin Trades.
- 8.6. The Client is specifically made aware that the margin requirements are subject to change without notice. When a Margin Trade has been opened, PU Prime is not allowed to close the Margin Trade at its discretion but only at the Client's instruction or according to PU Prime's rights under this Agreement. However, PU Prime will increase the margin requirements if PU Prime considers that its risk on a Margin Trade has increased as compared to the risk on the date of the opening.

PU Prime is not responsible for any delay, alteration, re-direction or any other modification the message may undergo after transmission from PU Prime. A message on the Client's account on the Trading Platform is considered received by the Client when PU Prime has placed the message on the Trading Platform. It is the responsibility of the Client to ensure that the Client's software and hardware setup does not stand in the way of the Client receiving e-mails or get access to the Trading Platform from PU Prime.

- 9.4. The Client is obliged to verify the contents of each document, including documents sent in electronic form from PU Prime. Such documents shall, in the absence of manifest error, be deemed conclusive unless the Client notifies PU Prime in writing to the contrary immediately after having received such document. In the event that the Client believes to have entered into a transaction or Contract, which should have produced a Settlement/Trade Confirmations or otherwise a posting on the Client's account, but the Client has not received such confirmation, the Client must inform PU Prime immediately when the Client ought to have received such confirmation. In the absence of such information the transaction or Contract may at PU Prime's reasonable discretion be deemed non-existent.

10. Commissions, Charges, and Other Costs

- 10.1. The Client shall be obliged to pay to PU Prime the commissions and charges set out in the Commissions, Charges & Margin Schedule which is available at www.puprime.com.
- 10.2. PU Prime may vary such commissions and charges without notice when the change is to the Client's advantage, or the grounds for changes are due to external circumstances beyond PU Prime's control. Such circumstances are:
- i. Changes in the relationship with PU Prime's counterparties, which affect

PU Prime cost structures; and/or

- ii. Changes in commissions and charges from exchanges, clearing houses, information providers or other third-party providers that are passed on to the Client by PU Prime.

10.4. In addition to such commissions and charges, the Client shall be obliged to pay all applicable VAT and other taxes, storage and delivery charges, exchange and clearing house fees and all other fees incurred by PU Prime in connection with any Contract and/or in connection with maintaining the Client relationship.

10.5. Furthermore, PU Prime shall be entitled to demand that the following expenses are paid separately by the Client:

- i. all extraordinary disbursements resulting from the client relationship e.g. telephone, telefax, courier, and postal expenses in case the Client requests hardcopy Settlement/Trade Confirmations, Account Statements etc. which PU Prime could have delivered in electronic form;
- ii. any expenses of PU Prime, caused by non-performance by the Client, including a fee determined by PU Prime in relation to forwarding of reminders, legal assistance etc.
- iii. any expenses of PU Prime in connection with replies to inquiries by public authorities, including a fee determined by PU Prime in relation to forwarding of transcripts and enclosures and for the preparation of

- copies;
- iv. administration fees in connection with security deposits, and any expenses of PU Prime in relation to a pledge, if provided, including any insurance premium payments; and
 - v. any expenses of PU Prime in connection with auditor's comments reports if such is requested by the Client.
- 10.6. The fees will be charged either as a fixed amount corresponding to payments effected, or as a percentage or hourly rate corresponding to the service performed. The methods of calculation can be combined. PU Prime reserves the right to introduce new fees.
- 10.7. PU Prime may share commissions and charges with its associates, Introducing Brokers or other third parties or receive remuneration from them in respect of Contracts entered by PU Prime. Details of any such remuneration or sharing arrangement will not be set out on the relevant Settlement/Trade Confirmations. PU Prime (or any associate) may benefit from commission, mark-up, mark-down or any other remuneration where it acts for the Counterparty to a Contract
- 10.8. PU Prime will upon reasonable request and to the extent possible disclose to the Client the amount of commission, mark-up, mark-down or any other remuneration paid by PU Prime to any Introducing Broker or other third party.
- 10.9. Unless specified otherwise in this Agreement, all amounts due to PU Prime (or Agents used by PU Prime) under this Agreement shall, at PU Prime's option: i. be deducted from any funds held by PU Prime for the Client; or ii. be paid by the Client in accordance with the provisions of the relevant difference account, Settlement/Trade Confirmation or other advice.
- 10.10. In respect of any transactions to be affected OTC, PU Prime shall be entitled to quote prices at which it is prepared to trade with the Client. Save where PU Prime exercises any rights it may have under this Agreement to close a Contract, it is the Client's responsibility to decide whether it wishes to enter a Contract at such prices.
- 10.11. PU Prime may, on its Website, designate a CFD Contract as a swap-free

CFD Contract. Where an Order for a swap-free CFD Contract is held overnight, the Order will not be subject to a Swap Charge or Swap Credit for the first seven days that the Order is held overnight provided that the Client does not engage in Suspicious Trading Activity with respect to the Order. If the Order remains open for more than seven days, the Order may be subject to a Swap Charge or Swap Credit determined by PU Prime in accordance with this clause from day eight onwards. If PU Prime reasonably believes that a Client has engaged in Suspicious Trading Activity with respect to a swap-free CFD Contract, PU Prime reserves the right to apply Swap Charges or Swap Credits retrospectively from the opening of the Order and to take any other action that is permitted under this Agreement in relation to Suspicious Trading Activity.

10.12. Furthermore, the Client acknowledges, recognizes and accepts that the procedures described in Clause 10 and Clause 13 may result in additional indirect costs for the Client.

11. Interest and Currency Conversions

11.1. Subject to the Clause below and save as otherwise agreed in writing, PU Prime shall not be liable to:

- i. pay interest to the Client on any credit balance in any Account or on any other sum held by PU Prime; or
- ii. account to the Client for any interest received by PU Prime on such sums or in connection with any Contract.

11.2. The Client is entitled to interest based on the Client's positive Net Free Equity in accordance with the terms in PU Prime's Commissions, Charges & Margin Schedule.

11.3. The Client is obliged to pay interest based on the Client's negative Net Free Equity in accordance with the terms in PU Prime's Commissions, Charges & Margin Schedule.

11.4. PU Prime may vary such interest rates and/or thresholds for interest calculation without notice when changes are to the Client's advantage, or

the grounds for changes are due to external circumstances beyond PU Prime's control. Such circumstances are:

- i. Changes in the monetary or credit policies domestic or abroad that affect the general interest level in a way that is of importance to PU Prime;
- ii. Other changes in the general interest level, including in the money and bond markets, that is of importance to PU Prime;
- iii. Changes in the relationship with PU Prime's Counterparties, which affect PU Prime's cost structures.

11.5. PU Prime may vary such interest rates where the Trading Platform is used for Commercial use with one month's notice, and where the Trading Platform is used for Private use with two months' notice if:

- i. market conditions, including competitive behavior, call for a change to PU Prime conditions;
- ii. PU Prime wishes to change its general commission, fee and pricing structure for commercial reasons; and/or
- iii. changes to significant particulars of the Client, based on which individual conditions were provided, occurs.

11.6. The Client is deemed to have accepted such changes if he does not, before the proposed date of their entry into force, notify PU Prime that he does not accept them.

11.7. PU Prime is entitled, but shall not in any circumstances be obliged, to convert: i. any realised gains, losses, option premiums, commissions, interest charges and brokerage fees which arise in a currency other than the Client's base currency (i.e. the currency in which the Client's Account is denominated) to the Client's base currency;

- i. any cash currency deposit to another cash currency deposit for the purpose of purchasing an asset denominated in a currency other than the Client's base currency;

- ii. any monies held by PU Prime for the Client into such other currency as PU Prime considers necessary or desirable to cover the Client's obligations and liabilities in that currency.

11.8. Whenever PU Prime conducts currency conversions, PU Prime will do so at such reasonable rate of exchange as PU Prime selects. PU Prime shall be entitled to add a mark-up to the exchange rates. The prevailing mark-up is defined in the Commissions, Charges & Margin Schedule.

12. Pledge Agreement

- 12.1. Any and all Security transferred to PU Prime by the Client or held by PU Prime or by PU Prime's Counterparties on behalf of the Client is pledged as a security for any liability that the Client may have or get towards PU Prime. Without limitation such Security shall comprise the credit balances on Accounts, the securities registered as belonging to the Client on PU Prime's books, and the value of the Client's open positions with PU Prime.
- 12.2. If the Client fails to fulfill any obligation under this Agreement, PU Prime is entitled to sell any pledged Security immediately without any notice or court action. Such sale shall take place by the means that PU Prime in its reasonable discretion determines and at the price that PU Prime in its reasonable discretion determines to be the best obtainable.

13. Netting Agreement

- 13.1. If on any date the same amounts are payable under this Agreement by each party to the other in the same currency, then, each party's obligations to make payment of any such amount will be automatically satisfied by netting. If the amounts are not in the same currency, the amounts are converted by PU Prime in accordance with the principles referred to in Clause 11.
- 13.2. If the aggregate amount that is payable by one party exceeds the aggregate amount that is payable by the other party, then the party by whom the larger aggregate amount is payable shall pay the excess to the

other party and the obligations to make payment of each party will be satisfied and discharged.

- 13.3. If the Client, at any time during the Client relationship, has a negative cash-balance in any Account, PU Prime is entitled but not obligated to net between the Client's Accounts. The Client shall bear all the charges and any other costs associated with such netting in accordance with the Commissions, Charges & Margin Schedule.
- 13.4. If the Client relationship is terminated according to Clause 24, the claims that the parties have against each other shall be finally discharged by means of netting (closed). The value of open Contracts shall be determined according to the principles set forth below and the final amount to be paid by one of the parties shall be the difference between the payment obligations of the parties.
- 13.5. Rates based on which the Contracts shall be closed shall be market rates applicable on the day on which PU Prime decides to close the Contracts.
- 13.6. PU Prime may at its reasonable discretion determine the rates by obtaining an offer from a Market Maker in the asset in question or by applying rates from electronic financial information systems.
- 13.7. When determining the value of the Contracts to be netted, PU Prime shall apply its usual spreads and include all costs and other charges.
- 13.8. This netting agreement shall be binding towards the estate and creditors of the parties to the client relationship.

14. Market Making

- 14.1. When PU Prime executes orders as Agent for the Client on a recognized stock or futures exchange, PU Prime will not be a party to such a trade as such orders will be executed in the trading system of the relevant exchange at the best price and the most favourable conditions available at the time of the order or according to the Client's specific instructions, e.g. in a situation where the Client has chosen to limit the order. PU Prime will not include any additional spread in the price of the execution achieved for the Client but will be remunerated according to the Commissions, Charges & Margin Schedule.

- 14.2. The Client is specifically made aware that in certain markets, including the foreign exchange markets, OTC foreign exchange options and CFD Contracts, PU Prime may act as a Market Maker.
- 14.3. When acting as a Market Maker, PU Prime will under normal market circumstances quote the Client bid and ask prices.
- 14.4. In order for PU Prime to quote prices with the swiftness normally associated with speculative trading, PU Prime may have to rely on available price or availability information that may later prove to be faulty due to specific market circumstances, for instance, but not limited to, lack of liquidity in or suspension of an asset or errors in feeds from information providers or quotes from Counterparties. If so and if PU Prime has acted in good faith when providing the price to the Client, PU Prime may cancel the trade with the Client but shall do so within reasonable time and shall provide the Client with a full explanation for the reason for such cancellation.
- 14.5. Following execution of any position with a Client, PU Prime may at PU Prime's reasonable discretion subsequently offset each such client position with another client position, or a position with one of PU Prime's Counterparties or retain a proprietary position in the market with the intention to obtain trading profits from such positions. Such decisions and actions may therefore result in PU Prime offsetting client positions at prices different from prices quoted to clients, resulting in trading profits or losses for PU Prime. This in turn can raise the possibility of the Client incurring what may be seen as an implied cost (i.e. the difference between the price at which the Client traded with PU Prime and the price at which PU Prime subsequently traded with Counterparties and/or other clients) due to any profits realised by PU Prime as a result of the Market Making function. However, the Market Making function may involve significant costs to PU Prime if the market moves against PU Prime as compared to the price at which PU Prime traded with the Client.
- 14.6. The Client accepts that PU Prime in such markets where PU Prime acts as Market Maker, may hold positions that are contrary to positions of the Client, resulting in potential conflicts of interest between PU Prime and the Client, cf. Clause 16.

- 14.7. In markets, where PU Prime acts as a Market Maker, the Client accepts that PU Prime always has no obligation to quote prices to clients in any given market, nor to quote such prices to clients with a specific maximum spread.
- 14.8. In markets, where PU Prime acts as a Market Maker, PU Prime may or may not charge commissions. However, irrespective of whether or not PU Prime charges any commissions, the Client accepts that PU Prime will seek to make additional profits out of its performance as a Market Maker and the size of any such profits may be considerable if and when compared with the Client's margin deposit.
- 14.9. The Client acknowledges, recognizes and accepts that the price quoted to the Client includes a spread when compared with the price to which PU Prime may have covered or expected to be able to cover the Contract in a trade with another client or a Counterparty. Furthermore, the Client acknowledges, recognizes and accepts that said spread constitutes remuneration to PU Prime and that such spread not necessarily can be calculated for all Contracts and that such spread will not be specified at the Settlement/Trade Confirmation or otherwise revealed to the Client.
- 14.10. The Client acknowledges, recognizes and accepts that PU Prime quotes variable spreads on options. The Client is specifically made aware that variable option spreads are affected by actual market conditions, which are beyond PU Prime's control. PU Prime does not guarantee any maximum or minimum quotable option spreads.
- 14.11. Any commission costs, interest charges, costs associated to and included in the spreads quoted by PU Prime as a Market Maker in certain markets and other fees and charges will consequently influence the Client's trading result and will have a negative effect on the Client's trading performance compared to a situation if such commission costs, interest charges, costs associated to and included in the spreads did not apply.
- 14.12. Whilst dealing spreads and commissions are normally considered moderate seen in relation to the value of the assets traded, such costs may be considerable when compared with the Client's margin deposit. As a consequence, thereof the Client's margin deposit may be depleted by trading losses that the Client may incur and by the directly visible dealing

costs such as commissions, interest charges and brokerage fees as well as the said not visible costs for the Client, caused by PU Prime's performance as a Market Maker.

- 14.13. If the Client is an active trader and is undertaking numerous transactions, the total impact of as well visible as not visible costs may be significant. Consequently, the Client may have to obtain significant profits in the markets in order to cover the costs associated with trading activities with PU Prime. For very active Clients, such costs may over time exceed the value of the margin deposited. Normally, when trading margined derivatives, the lower the percentage of the applicable margin rate, the higher the proportion of the costs associated with executing a transaction.
- 14.14. The Client is specifically made aware that in the area of market making in foreign exchange, OTC foreign exchange options, CFD Contracts and other OTC products, significant implied costs can arise as a consequence of the profits made by PU Prime performing in its capacity as a Market Maker.
- 14.15. PU Prime's performance as a Market Maker may negatively affect the Client's Account with PU Prime and the said implied costs are neither directly visible nor directly quantifiable for the Client at any time.
- 14.16. PU Prime is at no time obliged to disclose any details of its performance or income produced as a Market Maker or otherwise related to other commissions, charges and fees.
- 14.17. The Client is specifically made aware that CFD Contracts may be OTC products quoted by PU Prime whilst operating as a Market Maker and not traded on a recognized stock exchange. As a result, the description above of the implied, not visible costs related to PU Prime's performance as a Market Maker may also apply to any CFD Contract.

15. Aggregation and Split

- 15.1. PU Prime is in accordance with the broker's Best Execution Policy entitled to aggregate the Client's orders with the broker's own orders, orders of any of the broker's associates and/or persons connected with PU Prime including employees and other clients. Furthermore, PU Prime may split

the Client's orders when executing these. The orders will only be aggregated or split if PU Prime reasonably believes it to be in the best interest of the Client. On some occasions aggregation and split of the Client's order may result in the Client obtaining a less favourable price than if the Client's orders had been executed respectively separately or mutually.

16. Conflicts of Interest

16.1. PU Prime, its associates or other persons or companies connected with PU Prime may have an interest, relationship or arrangement that is material in relation to any transaction or Contract effected, or advice provided by PU Prime, under this Agreement. By accepting this Agreement and PU Prime's Conflict of Interest Policy (which distinctly describes the general character and/or background of any conflict of interest) the Client agrees that PU Prime may transact such business without prior reference to any potential specific conflict of interest.

17. PU Prime's Counterparties

17.1. In order to give effect to the Client's instructions, PU Prime may instruct a Counterparty selected at PU Prime's discretion and PU Prime shall do so where the transaction is to be subject to the rules of an exchange or market of which PU Prime is not a member.

17.2. PU Prime shall not be responsible for errors committed by such Counterparties unless it is proven that PU Prime has not acted with enough care when selecting the Counterparty.

18. Introducing Brokers

18.1. The Client may have been referred to PU Prime by an Introducing Broker. If so, PU Prime shall not be responsible for any agreement made between the Client and the Client's Introducing Broker. The Client acknowledges that any such Introducing Broker will either be acting as an independent

intermediary or an Agent for the Client and that no such Introducing Broker shall be authorised to make any representations concerning PU Prime or PU Prime's services.

- 18.2. 18.2 The Client is specifically made aware that the Client's agreement with its Introducing Broker may result in additional costs as PU Prime may pay fees or commission to such person.
- 18.3. The Client is also specifically made aware that the Client's agreement with its Introducing Broker may result in additional costs for the client because the Introducing Broker can deduct commissions and fees as well as price or interest/financing rate adjustments for any trade conducted on or allocated to the Client's account either by the Introducing Broker or the Client.
- 18.4. If the Introducing Broker undertakes any deductions from the Client's Trading Account according to any agreement between the Client and the Introducing Broker, PU Prime has no responsibility as to the existence or validity of such an agreement.
- 18.5. PU Prime shall have no responsibility or liability to the Client in following the instructions given by the Introducing Broker. PU Prime is under no obligation to supervise or otherwise know or review the payment instructions or any other acts, including but not limited to the trading, of the Introducing Broker.
- 18.6. The client acknowledges and accepts that frequent transactions may result in a sum total of commissions, fees, price or interest/financing rate adjustments for trades conducted that may be substantial and not necessarily be offset by the net profits, if any, achieved from the relevant trades. The responsibility for correctly assessing whether the size of the total commissions, fees, price or interest/financing rate adjustments for trades conducted paid from the Client's account makes trading commercially viable, is the combined responsibility of the Client and the Introducing Broker. PU Prime only acts as the custodian and principal broker and therefore is not responsible for the size of the commissions and fees as well as price or interest rate paid by the Client.
- 18.7. Any commissions, fees, price or interest/financing rate adjustments for trades conducted may be shared between the Introducing Broker, PU

Prime and third parties according to the Introducing Broker's written instructions and/or at PU Prime's discretion.

19. Default and Default Remedies

- 19.1. The provisions contained in this Clause supplement any other rights that PU Prime or any of its associates have according to this Agreement, including but not limited to the Pledge Agreement referred to in Clause 12, and furthermore any other rights PU Prime has.
- 19.2. PU Prime reserves the right to retain, or make deductions from, any amounts which PU Prime owes to or is holding for the Client if any amounts are due from the Client to PU Prime or PU Prime's associates.
- 19.3. The Client authorises PU Prime, at PU Prime's discretion, at any time and without notice, to sell, apply, set-off and/or charge in any manner any or all of the Client's property and/or the proceeds of any of the same of which PU Prime or any of its associates or Agents has custody or control, in order to discharge any or all of the Client's obligations to PU Prime or to PU Prime's associates.
- 19.4. Each and any of the following events shall constitute an Event of Default in relation to all of a Client's Contracts, Margin Trades, securities and other business with PU Prime (regardless of whether the Event of Default only relates to part of the business with PU Prime):

- vi. if a petition is presented for the winding-up or administration of the Client;
- vii. if an order is made or a resolution is passed for the winding-up or administration of the Client (other than for the purposes of amalgamation or reconstruction with the prior written approval of PU Prime);
- viii. if any distress, execution or other process is levied against any property of the Client and is not removed, discharged or paid within seven days;
- ix. if any security created by any mortgage or charge becomes enforceable against the Client and the mortgagee or charge takes steps to enforce the security or charge;
- x. if any indebtedness of the Client or any of its subsidiaries becomes immediately due and payable, or capable of being declared so due and payable, prior to its stated maturity by reason of default of the Client (or any of its subsidiaries) or the Client (or any of its subsidiaries) fails to discharge any indebtedness on its due date;
- xi. if the Client fails to fully comply with obligations under this Agreement or any Contract, including refrains from complying with Margin requirements;
- xii. if any of the representations or warranties given by the Client are, or become, untrue;
- xiii. if PU Prime or the Client is requested to close a Contract (or any part of a Contract) by any regulatory agency or authority; or
- xiv. if PU Prime reasonably considers it necessary for its own protection or the protection of its associates.

19.5. Upon the occurrence of an Event of Default, PU Prime shall at its discretion be entitled to:

- i. sell or charge in any way any or all of the Client's collateral, assets and property which may from time to time be in the possession or control of PU Prime or any of its associates or Agents or call on any guarantee,

without any notice or court order. Sale of Security, assets and property shall take place by means that PU Prime in its reasonable discretion determines and at the price that PU Prime in its reasonable discretion determines to be the best obtainable, provided that PU Prime shall provide a 7-day notice period before realizing Security of any Client, unless immediate sale is necessary to avoid or limit a loss;

- ii. buy or sell any Security, investment or other property where this is, or is in the reasonable opinion of PU Prime likely to be, necessary in order for PU Prime to fulfill its obligations under any Contract and the Client shall reimburse PU Prime for the full amount of the purchase price plus any associated costs and expenses;
